Community Partner Training Registration

Registering a New User

1. Visit website (**mch.syberworks.com**). On the right-hand side of the screen, select **"Do you need a user name and password?"**
2. Fill in the required fields with the appropriate information. When complete, select **"Submit Information."**
3. Syberworks will then assign a user name and password. Return to the original website and log in with that information.
4. Change the assigned password to a password of preference. Return to the original website and log in with that information.

Registering for a Class

1. Log onto website (**mch.syberworks.com**).
2. On the left-hand side of the screen, hover the tab labelled **"Register/Enroll."** Select **"View Calendar of Instructor-Led Classes."**
3. A calendar of classes will be displayed. Select the hyperlink title of the preferred class.
4. Confirm the details of the class are correct, then select **"Add to Registration List."**
5. Ensure the box next to the class title is checked, then select **"Continue to Registration."** The registration is then confirmed.
