

**Methodist Children's Home (MCH) Family Outreach** offers foster care and family strengthening services through its community service program. Services are designed to help meet the needs of families and caregivers with one or more children, or adult individuals who experienced out of home placement. Whether it is illness, conflict, school difficulties or parenting challenges, families facing these situations can turn to the professional, caring staff of MCH Family Outreach.

Each outreach office provides supportive services to families through preservation services and programs that offer resource information, parenting support and education, case management services, service planning and advocacy.
